

Una Voce Chamber Choir 2013-2014

Thank you ALL for investing so much of your time and energy in the audition process for the 2013-2014 Chamber Choir. Obviously, this is an incredibly competitive process, but unfortunately there cannot be a place for everyone. I am so proud of each and every one of you. What amazing and talented students we have at Lee's Summit West.

The following criteria was used to select this choir:

- Solo Performance (tone quality, accuracy, intonation, diction, musicality)
- Sight-Reading (pitch, rhythm, solfege, and/or neutral syllable)
- Ensemble Singing (Tone Quality/Color, Intonation, "Blendability", Rehearsal Etiquette, preparation of music.
- "Every day is an audition" - Teacher Recommendations, grades, attendance, classroom behavior, work ethic, contribution to daily rehearsal

Please refer to the attached comments regarding your audition. I am hopeful that these comments will give you the feedback you need on what your strengths are and what specific areas you can work to improve. If you would like to speak with me regarding your audition, my door is always open. I am asking, however, that you please wait 24 hours before coming to talk to me or to send an e-mail – I know this particular audition can be very emotional. It is always best to distance yourself from the emotion of it all first – that is the reason for the 24 hours. Please follow the same "grace period" for parent contact, if you or your parents feel that is necessary.

There will be a meeting after school on Wednesday for every person on this list. Each one of you must be present as I will be passing out forms for the Retreat as well as next year's contract. I will also give you some info on tuxes and dresses. The meeting is from 2:45 – 3:15, very short, but very important.
