Have your friend/family member take the tape measure around your chest (at its fullest part) UNDER your arms. Helpful hint: have your friend/family member insert a finger between the tape measure and your body to ensure a comfortable fit. This would be your "Chest Size". (Ex. 40, 42, 44, etc).

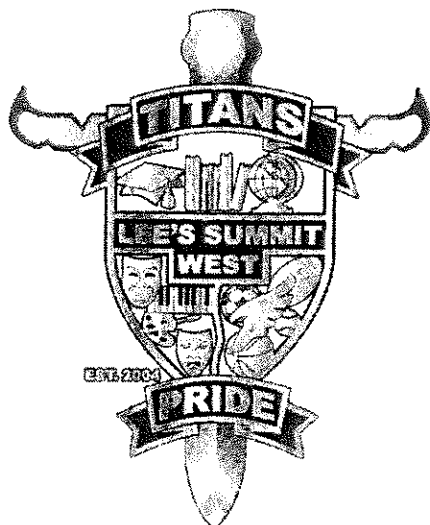

Next you want to find out if you are a "Short", "Regular", "Long", or "X-Long". This is determined by height. Below is a helpful chart to assist you in determining your "Coat Length".

SHORT = under 5' 7"

REGULAR = 5' 7.25" - 6'

LONG = 6' 0.25" - 6' 3.5"

X-LONG = 6' 3.75" - 6' 8"

Lee's Summit West High School Department of Music

Monday, August 25, 2014

Dear Parents of All New Female Band, Orchestra, and
Women's Choir Students:

Each girl will need to purchase the required concert dress for their particular ensemble. Each girl will need to bring a check made payable to Lee's Summit West High School for the amount of \$80.00 by **August 29th**. This will cover the cost of the dress plus shipping. If your dress size is a 2XL or 3XL, there is an additional \$5.00 charge (\$85.00 total). If your dress size is a 4XL, there is an additional \$10.00 charge (\$90.00 total). The dress is your property after purchase. Girls will be measured at school, however, some alterations and/or hemming may be necessary for a perfect fit. Basically, the dress is factory-sized. We will do our best to get the closest size for your daughter. If you are not satisfied, you will need to get it tailored as we will not be sending them back to the manufacturer. The length comes standard from the factory so many may be extremely long and will need to be cut off and/or hemmed.

Thank you for your continued support of the music programs here at Lee's Summit West High School.
